PROFESSIONAL SUMMARY

I am an Information Systems graduate with experience in frontend development, project management, problem-solving, and teamwork. I have built modern web applications using React, Next.js, JavaScript, Tailwind CSS, Node.js, Express.js, MongoDB, and MySQL. I am passionate about creating user-friendly digital solutions and continuously improving my technical and professional skills.

WORK EXPERIENCE

Efuye gela (Zemnay Tech)

Frontend Developer Intern

2025

- Redesigned website interfaces to improve user experience.
- Developed responsive and reusable frontend components.
- Collaborated with team members on web development projects.
- Improved UI/UX and website usability.
- Participated in frontend development and testing activities.

EDUCATION

07/2026

Bachelor of Science in Information Systems

Bahir Dar University

Diploma

cruise school

2022

TECHNICAL SKILLS

Frontend

HTML5, CSS3, JavaScript, React, Next.js, Tailwind CSS

Backend

Node.js, Express.js

Database

MongoDB, MySQL

Tools

Git, GitHub, VS Code, Postman, Vercel

Professional Skills

Project Management, Problem Solving, Leadership, Communication, Teamwork, Time Management

PROJECTS

Educational Chat Application

- Built a full-stack educational communication platform.
- Implemented authentication and user management.

HOBBIES & INTERESTS

- Reading books
- Participating in educational and professional events
- Community service and volunteering
- Leadership activities
- Learning new technologies
- Networking and collaboration

LEADERSHIP & VOLUNTEERING

Internal Affairs Executive

RDL Chatty Club, Bahir Dar University

Volunteer

Zigba Child and Elderly Support Organization

Volunteer

Africa Pen Warriors for Development Organization

volunteer

CERTIFICATIONS

- Problem Solving Certificate – Green Pill (Efuye gela)
- Website Development Certificate – Udacity
- Data Analysis Certificate – Udacity
- Leadership Certificate – Kibure College
- Volunteer Certificate – Zigba Child and Elderly Support Organization
- Leadership and Service Certificate – RDL Chatty Club, Bahir Dar University
- Volunteer and Development Certificate – Africa Pen Warriors for Development Organization

- Integrated frontend and backend functionality.
- Designed responsive user interfaces.

Task Management Application

- Developed a modern task management system.
- Implemented CRUD operations.
- Added task prioritization and filtering features.
- Created responsive and user-friendly interfaces.

Bahir Dar Explorer

- Developed a tourism and cultural information platform.
- Showcased destinations, culture, and attractions.
- Implemented blog and gallery features.
- Designed responsive layouts with modern UI.

Zemnay Tech Website Redesign

- Redesigned website pages and user interfaces.
- Improved responsiveness and visual appeal.
- Enhanced user experience and accessibility.

Enterprise Resource Management (ERP) System

Tech: Next.js, React, Node.js, Express.js, MongoDB, Tailwind CSS

- Developed a full-stack ERP system with role-based authentication and a modern dashboard.
- Implemented modules for employee management, customer management, inventory, sales, purchases, finance, and reporting.
- Built responsive user interfaces with secure authentication and RESTful API integration.
- Designed scalable database models and optimized application performance

Modern E-Commerce Platform

Tech: Next.js, React, Node.js, Express.js, MongoDB, Tailwind CSS

- Developed a full-stack e-commerce platform with secure user authentication.
- Implemented product catalog, categories, search, shopping cart, wishlist, and checkout functionality.
- Created an admin dashboard for managing products, users, and orders.
- Integrated responsive design and REST APIs for a seamless shopping experience.

Office Queue & Appointment Management System (Final Year Project) Web & Mobile Application

- Developed a queue and appointment management system for a sub-city administration.
- Participated in requirements gathering, system analysis, database design, frontend and backend development, testing, and deployment.
- Built both web and mobile applications.
